

What Impact to you

201 CMR 17.00: Standards for The Protection of Personal Information of Residents of the Commonwealth

225 Franklin Street
26th Floor
Boston, MA 02110
617-217-2101
www.axistechnologyllc.com

201 CMR 17.00 implements the provisions of M.G.L. c. 93H relative to the standards to be met by any entity who owns, licenses, stores or maintains personal information about a resident of the Commonwealth of Massachusetts. This regulation establishes minimum standards to be met in connection with the safeguarding of personal information contained in both paper and electronic records.

Efficient, Economical and Value Added

The potential impact to any company or institution varies based on the type and size of its underlying exposure. Axis Technology can quickly provide a comprehensive non-intrusive study of your environment related to 201 CMR 17.00 and satisfy the first requirement of the new law in the process. This service is extremely flexible and affordable, yet provides significant insight and an effective decision making platform going forward.

Axis Technology is a major force in providing Fortune 500 companies with effective solutions for managing burdensome Federal regulations found in Banking, Financial Services, eCommerce, Insurance and Healthcare. Our deep experience and proprietary methodologies are now available to a majority of Commonwealth companies and institutions in dealing with this new regulatory overhead at the State level.

Axis Technology has developed a process for delivering a comprehensive Risk Profile of your existing environment, at little or no cost.
